A LOOK INSIDE OUR *ACTIVITIES*

Activities and special events play a large part of our residents day and no one understands the importance of this more than Ashley Kreitner, LMSW, our communities Activities Director. Ashley has a vested interest in our residents not only as a third generation family member here at Twin Oaks Senior Living but also as a licensed social worker.

Ashley received her Bachelors of Social Work at Lindenwood University in St. Charles, Missouri in 2013. She went on to receive her Masters of Social Work at University of Missouri St. Louis in St. Louis, Missouri in 2015 and has been licensed since 2017.

Ashley began her career at Twin Oaks at 14 years old in the Dietary department and over the past 15 years has held various positions in multiple departments from Nursing to Admissions in both the O'Fallon and Wentzville locations.

Ashley has combined her years of experience, education, and guidance from previous generations to create an activities program that meets the needs of the whole person. Inspired by George Engel's Biopsychosocial Model, our activities staff strives to serve residents by creating opportunities to address their needs biologically, psychologically, socially and spiritually.

“It is so rewarding and such a privilege to now plan events and activities that I grew up volunteering for through the years.”

- Ashley Kreitner, LMSW
Activities Director

WE LOVE OUR RESIDENTS!

VALENTINE'S CELEBRATION 2024! Each year we crown a Valentine's Day King and Queen - this year our royal couple was Carolyn and Bob. Because it was so close to Mardi Gras, our royal couple had a parade and threw beads to all of our residents. We had a delicious meal, were showered with Valentine treats from our community and enjoyed entertainment by Scott and Karl.

LUCKY IN love

Not only has our family been caring for your family since 1981 but these 10 couples truly have made it a "family affair"! We are so "lucky" to have these couples working and leading the way in different areas of our Twin Oaks communities!
