A LEGACY OF *Love*

44 years ago, founder Mary Ann Huber, RN, saw a need for those who were aging but needed additional care. She had a vision to provide an inviting place to receive the care they need but also have the opportunity to enjoy their friends, their families, and maintain their independence.

In 1981, Mary Ann brought her vision to life by turning her own home into a 12 bedroom boarding home, which would later become the home to Twin Oaks Estate in O'Fallon, Missouri. It wasn't long before she would enlist her family to support and continue to build her vision and legacy of the Twin Oaks family business. Together they would go on to build Twin Oaks at Heritage Pointe and now, The Villas at Heritage Pointe.

Mary Ann's vision has grown and come to life over the last 43 years and our Twin Oaks communities are more vibrant than ever.

Mary Ann just celebrated her **91st birthday** this January and is now a resident in the home where it all began – Twin Oaks Estate. Happy Birthday to our fabulous founder - thank you for continuing to guide us, the future looks bright!
